January 12, 2021

Dear Parents and Guardians,

I am reaching out to you today to provide you with an update on the future operational status of Roxmore Public School.

As you are aware, in March 2017, the Board of Trustees of the Upper Canada District School Board (UCDSB) decided the "North Stormont PS be closed and consolidated with Roxmore PS at a future date to be determined pending Ministry approval for an addition at Roxmore PS."

The expansion of Roxmore PS is well underway and, upon completion, will see the addition of six classrooms and a child-care space that will be able to accommodate infants to children up to the age of 12.

Construction is on track and the consolidation of the two schools is anticipated for the beginning of the **September 2021** school year. As such, the Principals from the both schools, supported by the Family of Schools Superintendent, will be forming a Transition Committee to assist in the consolidation of the two schools. More information will be forthcoming related to the Transition Committee in January 2021.

We will communicate regularly through the transition process. If you have additional questions, please feel free to reach out to me directly.

Sincerely,

A handwritten signature in cursive script that reads 'Silvia Speck'.

Silvia Speck,

Principal
